THE RULE OF MM.

#1

Grimmster: Another one of those chapters where not using the dialect ruins the chapter. FML.
Meiskyo: You hear him. Go better give him an applause.

Oh, you must not know this.
Mm.
You need to say between Mm, mm, and mMu. Get noise, but the intonation is what's important.
As you expected, but is YES!
Mm!
MMMMm!
Can't you just say Yes?
You need to
Come on now! Mastermind of the Grumpy-mojo region, answer the boring-tachium
MMmm!
MMmm!
You must to be more direct, me pal!
This is a stronger form of denying, and can be used in "the way" "Nope" or "Definitely not"
MMmm?
In Sista region, you can use tiredness barrier on anyone and it'll all-ways work!
If you know this, you're obviously a native! How about you try using this knowledge! If you can't we big bro from now
MMmm!

The reason I called you here Thirty-five, was because I was worried how you are doing after being transferred here...
Are you fitting in with your friends?
Mm\
...?
You don't have anything worrying you?
M\Mm/Mm\!
.....
Do you have an issue with me?
M\Mm/!
